

Discovery Education Summer of Learning for Parents

We are happy to share that students will keep access to Discovery Education as a part of our summer education offerings. Your child can find exciting learning opportunities to keep their minds active all summer and help them prepare for the upcoming school year, from any internet-connected device. Invite your child to explore our Summer of Learning collection that supports learning at home, or any other Discovery Education resources on topics that pique their interest.

- **Enrich Your Summer Learning**
Enrich your child's summer learning around topics, places, careers and more with these ready-to-use lesson activities in the Student Learning Activities Channel.
